

2019

September 14-15th
Arapahoe County Fairgrounds
Aurora, Colorado

GENERAL INFO / RULES:

WHEN:

Saturday, September 14-15, 2019. Doors will open at 8:00 AM for setup. Judging will start promptly at 9:00 AM.

WHERE:

Arapahoe County Fairgrounds, Exhibition Hall - West Wing in Aurora, CO.

Lunch – As food venues by the hall are slim to none, we will be providing complimentary lunch both days. A pizza delivery is planned for one day and something like subs for the other. This lunch will be planned around the amount of showers we have. If you've brought the entire family, we'll need you to chip in a little and notify us of the extra mouths so we can order appropriately. We will also be providing sodas and water.

Snack Table – In 2016 the savior of all was the pot luck/goody corner. We'd like to make this a tradition! We encourage entrants to bring their favorite edibles to share, whether it's a bag of snacks or a full dish.

RULES/INFO:

- Seating - Tables will be assigned on first come/first serve basis to entrants as soon as entry form/fee is sent in. Please look for your name at your assigned table number to make sure you're not at someone else's place. We will have a copy of the table layout at the show for convenience.
- Class Limits - Zippo! The more the merrier. We reserve the right to make an exception to this in performance classes. This will be a Jennifer Buxton and her Performance Judge call and will only be enacted if the show is being held up. Having said this, we do ask that you please consider how much you can handle at one time.
- Breed Limits - A piece can only be shown as one breed. If you are unsure about a breed assignment, our judges are super friendly and knowledgeable and are happy to help assist before the class.
- Classes - Judges/show holder reserve the right to split, cancel, or combine classes as they deem necessary.
- Judge Courtesy - Please refrain from talking to a judge while they are judging. Judges will be happy to explain placings after a class, but their decisions are final. Please be polite and courteous and remember that you are paying for their opinion (even if you don't agree with it). Please don't crowd rings that are being judged or loom over a judge's shoulder during judging.

- Shower Courtesy - NEVER touch or pick up a model without the owner's explicit permission. Be aware of your surroundings. Accidents do happen, but be careful so you aren't the cause of one. If you break or damage an item of someone else's, be prepared to pay for it. Unsportsmanlike conduct, harassment of judges and/or show staff, or offensive behavior or language will NOT be tolerated. Anyone exhibiting these behaviors will be kicked out of the show hall without a refund.
- Cancellation/
Refund Policy - Once your entry is received and processed, there are no refunds.
- Tags/Horse Lists** - We will be implementing another innovation for our Colorado area, though other regions are already utilizing the technology. We used "Show Helper" in 2016 – a program designed by Jennifer Buxton's son Ryan to format our electronically entered results as we judged. We learned what worked and what did not. The biggest part of the "did not" was manually entering the horse lists into the system. This is a lot of work for one person, so we will have an electronic data base for entrants to enter their own horse lists into.
- We are actually still working on this part of the show, so this is going to be a "Stay tuned" section.
- CM Glaze Div. - Custom Glazes (CMG) are china and ceramic models that have been altered in clay body and/or painted a color other than the factory or production run color. CM Glazes must be fired in a kiln. Cold painted (not fired) chinas and ceramics will show in the Customs division.
- Custom Div. - A model eligible for the custom division is one that is a factory plastic model that has been altered in some way and/or repainted. Original sculptures that have not been reproduced will also be put into this division.
- Artist Resin Div. - An equine sculpture cast in resin released by an artist in either limited or open runs that is then painted or painted and customized by an artist. No "OF" resins.
- AR/CM Mini - A "mini" will be classified as any AR or CM that is LESS THAN classic scale (1:12 scale) Classics and up will show in their respective AR and CM MINI divisions.
- Micro - Micro's are the incredibly tiny, around 1" tall guys. Usually painted by people in magnifying visors. Plastic, resin, pewter – all are welcome so long as they meet the size requirement.
- Amateur Artist - Models painted and/or customized by the person showing them are eligible for this division regardless of age of artist, type of model horse, or medium used to finish it. It is a workmanship only division. Amateurs are classified as those who are not professional – i.e. do not make a living, work full time, and/or pay taxes off income gained by painting sales/commissions. This is a division to objectively evaluate yourself and gain knowledge from a professional or expert in the field.
- Performance - All media and scales will show together. Championships will be awarded to both the high point *shower* and the high point *horse*. Additionally, there will be an award for the high

point mini horse and high point novice shower. Not sure if you qualify to show novice? Please contact Jennifer Buxton (Jennifer@thejennifershow.net) to confirm your status.

General

- Breakable or wobbly? It's okay (and encouraged) to lay these models down on something soft on the judging tables. Please do keep that something soft only large enough to cushion the piece and not take up most of the table. Be aware that by laying a piece on it's side, you are giving the judge permission to pick up the model to examine its other side. If you do not want the judge to pick up your horse, please put a note by your horse or talk to the judge before the class.
- Reference is encouraged for rare or unusual markings or breed assignments and should be laid down by the entry.
- No doll handlers, sand arenas, etc. will be allowed in breed/workmanship classes due to space and time limitations.
- Halters are allowed on horses entered in the breed classes, but these will not necessarily be given preference in judging. Be warned that an ill-fitting or inappropriate halter may actually count against your horse.

Judging Rings

- Space allowing, we will have two tables going per division. One for each class. While one table is being judged, the other should be setting up. Help keep this running smoothly by paying attention to what classes are being called out by announcer and by promptly loading and unloading your horses to and from the tables.

Placings

- Classes will be placed 1st through 4th and will be awarded TJS exclusive 2" medallions sculpted by Kylee Parks and Jennifer Scott and possibly/probably other goodies.

Prizes

- In addition to the medallions mentioned above, Division Champs/Res. Champs will receive larger TJS Exclusive bass reliefs sculpted by Jennifer Scott and Overall Grand Champs/Res. Grand Champs will receive a TJS exclusive mini version of Jennifer Scott's loose-maned Anise sculpture. Judge and Jennifer favorites will also be awarded and I'm sure we'll throw yet more goodies your way by the time we reach show day(s). ;)

Of course the most fun prizes for us to give away will be the "Star the Day off with a Bang" prize. Saturday will start with a complete English tack set made by Jennifer Buxton. Sunday will start with a red liver chestnut painted MEM No Inhabitations – both resin and finishwork by Jennifer Scott. These are drawn via raffle and tickets are given out at the beginning of the show to entrants. In-person entries will receive five tickets. Proxy entrants will receive one ticket. You cannot buy more to increase your chances of winning.

Sponsorship

- Another way to help out is to become a sponsor! Sponsorship levels include:
 - Entire Division - \$50 (i.e. Artist Resins, or Custom Glaze, or Performance)
 - Sub-Division - \$25 (i.e. AR Stock Breeds, or English Performance)
 - Single Class - \$5
 - Open Sponsorship – any misc. amount the sponsor wishes to contribute.

HOW MUCH:

Unlimited Entry – Includes both halter and performance eligibility, with the exception of the Challenge/Jack Pot performance.

- One Day Entry: \$100
- Two Day Entry: \$125
- Performance Challenge/Jack Pot: \$40.00 – *LIMITED TO FIFTEEN ENTRANTS – This price includes a MYSTERY NiB model chosen by Jennifer Buxton as your challenge horse. This is a requirement should you wish to enter this division on Sunday and is in addition to the regular one and two day entry fee. Model will be revealed day of division but will be a medium traditional-scale tack-friendly piece.*
- Extra Tables - \$20.00 each (limit one per entrant at the moment) Extra tables are limited so early entry is encouraged. The extra table is included for all days you're showing.

Proxy - Proxy entries for breed divisions are welcome. NO PERFORMANCE PROXY

- Proxy one day (up to five horses) - \$50
- Proxy two day (up to five horses PER DAY) - \$80
- Proxy one day (more than five horses) - \$80
- Proxy two day (more than five horses PER DAY) - \$100

LUNCH WILL BE PROVIDED ON BOTH DAYS OF SHOWING
